

NOW HIRING

Director of Safety

Minn-Dak Farmers Cooperative is seeking a full-time Director of Safety to ensure all activities within the Cooperative are completed in a safe and efficient manner. This position will report to the President and CEO of the Cooperative.

Essential Job Duties

- Ensure resources of the safety department are adequate to achieve safety goals within the Cooperatives Strategic Plan
- Build a relationship of collaboration and cooperation with operations throughout the enterprise
- Work with operational leadership and management to determine plan to reinforce safety culture within the organization
- Working with operational leadership, evaluate practices and procedures to assess risk
- Research regulatory requirements, industry standards, and safety best practices

Qualifications

- Bachelor's degree or equivalent in occupational safety or related safety field
- Prior leadership experience in leading a safety department
- Have certification as a Certified Safety Professional
- 6 plus years developing, implementing, and/or managing a safety program in a manufacturing environment

Comprehensive benefit program including health, dental, and vision insurance, 401 (k) plan PTO, paid holidays.

Application Process

All interested and qualified individuals are encouraged to provide a resume, cover letter and transcripts.
